RE: Group picture/drawing for 2010 SOP program

Dear Band Members:

We are starting to put together our program for the “Sounds of the Patriots” band competition to be held September 18th. Get together with your section members and think of what type of section picture/drawing you might like to be included.

Choice #1 - If you would like a drawing, photograph, etc. of your section in the program I will need it by NO later than **August 20th**. (*the sooner, the better) It can be no larger than 8 ½ by 11 inches. **Use black ink/marker and stay away from the edges of the paper. Do not use pencil or dark photographs.** The copy for the program will be only as good as the original artwork.

Choice #2 – If you would like a photograph of your section, **Mr. Herman or Mr. Leipert** is willing to take these photos. Please see one of them by the week of band camp to make arrangements to take the pictures.

Neatly place in an envelope and give to me, Mr. Herman or Mr. Leipert, or put in the Music Booster Box in the Band Room by **August 20th**.

Thank you,

Jim Herman
