March 29, 2007

Dear Robert Starrett:

On behalf of the Olympic International Festival Committee, it is my honor and pleasure to extend a tentative invitation to Red Land High School band to participate in an important pre-Olympic event-- Olympic International Youth Festival 2008, in Beijing, China.

Chinese American Cultural Bridge Center is officially authorized by the Festival Committee to select two to three wonderful American School bands to perform in this event. Our selection is based on your past successes, excellent reputation and recommendations from prestigious American organizations.

If confirmed, Red Land High School Marching Band will join an elite group of special musical ambassadors representing the United States. Your students will perform in a Grand Parade through the streets of downtown Beijing. They will also perform atop The Great Wall and at Olympic Cultural Square. And, they will experience the Olympic spirit at Great Wall, where the 2004 Olympic torch was handed off by the world famous athletes! This is an important historical event you and your students will always remember with pride.

Modern China, with its long and rich history, has so very much to offer you. China has opened the door to the world; and, cultural officials view this event as an important opportunity to expose the world culture to the Chinese people. Great efforts are being made to ensure that you are treated as honored guests and that your visit will be an extraordinary experience.

We hope you can join us to mark another milestone in the Western and Eastern cultural exchange. Please let us know your level of interests.

Sincerely yours,

Rebecca Ji, Director  
Chinese American Cultural Bridge Center
